DEFINITIONS

Citizen - Any individual writing or inquiring about, or on behalf of, an inmate/probationer/parolee, to include family, friends, and advocacy groups.

Correspondence Unit - A unit established in DOC Headquarters to receive, track, and monitor responses to inmate/probationer/parolee related correspondence received at the Headquarters or Regional level.

Customer - The general public and the taxpayers of the Commonwealth of Virginia.

Internal Customer - Staff, volunteers, and contractors of the Department of Corrections (DOC) or other agencies that regularly utilize DOC services.

Organizational Unit Head - The person occupying the highest position in a DOC organizational unit, such as a correctional facility, Regional Office, Probation and Parole Office, Virginia Correctional Enterprises, Academy for Staff Development, Infrastructure and Environmental Management Unit, Agribusiness Unit, and individual Headquarters units, e.g., Human Resources, Offender Management, Internal Audit.

Senior Leadership - Senior Leadership includes the Director, the Chief Deputy Director, the Senior Deputy Director, the Deputy Director for Institutions, the Deputy Director for Community Corrections, the Deputy Director for Health Services, the Deputy Director of Programs, Education, and Reentry, and the Chief of Staff.

PURPOSE

This operating procedure provides guidance for Department of Corrections (DOC) staff on providing exemplary customer service to the citizens of the Commonwealth and to others they may contact in performance of their duties.

PROCEDURE

I. Customer Service

A. As a public safety agency, the DOC interacts with many diverse individuals and agencies to include the citizens of the Commonwealth, victims of crime, federal, state, and local law enforcement, and public safety agencies.

1. Our success is dependent upon effective communications and interactions with our staff and public safety partners. DOC staff must share a common purpose and a commitment to the highest professional standards and excellence in public service.
2. When interacting with the public, the DOC expects all staff to provide exemplary customer service by being courteous, sensitive, responsive, and making every effort to be helpful and promptly provide the needed information or assistance to our customers.
3. Organizational Unit Heads are responsible for communicating the need for positive customer service to all staff on a regular basis and for setting a professional leadership example in providing customer service.

B. Strategies for Maintaining Positive Customer Service

1. Organizational Unit Heads will ensure the following elements are reflected in their unit strategies:
 - a. External and internal customers are identified.
 - b. Customer satisfaction begins with staff satisfaction.
 - c. Telephone courtesy is actively promoted and is monitored within the unit, to include:
 - i. Ensuring that telephones are answered, and
 - ii. Voicemail is managed so that customers can leave a message if needed, and
 - iii. Calls are referred to or transferred to another staff member for assistance in a timely manner.
 - d. Face to face contact with the public is actively promoted and monitored in response to the public's concerns.
 - e. All correspondence is answered promptly and professionally consistent with direction of the Correspondence Unit, if applicable.
 - f. The availability of knowledgeable and informed staff to handle inquires during the entirety of normal business hours is ensured.

C. Strategies for Improving Customer Service

1. DOC training programs will continue to be reviewed to assure quality training that incorporates sound public service skills.
2. Consistent with its Strategic Plan, the DOC will continue to promote public education, staff customer service excellence, and positive contacts with the public.

II. Correspondence

A. Inquiries from the public and other agencies are responded to in the way it was received, either by postal mail or electronically. Responses including findings and, if appropriate, action taken are provided to appropriate parties, taking into consideration privacy protection statuses as soon as practical to all correspondence received in all DOC units. (4-APPFS-1C-02; 2-CO-1A-26)

B. Requests from federal, state, and local legislators and executives for information about operations or specific inmates/probationers/parolees will be responded to promptly by DOC staff with due regard to

privacy protection statutes and confidentiality policies. (5-ACI-1A-21)

- C. All responses must be courteous, professional, accurate, honest, and comply with DOC operating procedures for confidentiality and release of information; see Operating Procedure 025.1, *Public Access to DOC Public Records*.
- D. Any inquiry that requests information under COV §2.2-3700 et seq., *Virginia Freedom of Information Act*, must be handled in accordance with Operating Procedure 025.1, *Public Access to DOC Public Records*.
- E. The respondent must never promise any action that is beyond their direct personal control.
- F. Responses will include suggestions for any available avenues of appeal and additional resources for the citizen if they are not satisfied with the response.
- G. Any sensitive information in the inquiry/complaint or response will be handled in the strictest confidence.
- H. When appropriate, documentation will be maintained of the inquiry/complaint, relevant facts, and the response.

III. Citizen Inquiries and Complaints

- A. Inquiries and complaints submitted by citizens must be promptly referred to the Organizational Unit Head or other designated staff for immediate information gathering or investigation, as needed. (4-APPFS-1C-02; 2-CO-1A-26)
- B. A written response must be provided for all correspondence received in any DOC unit.
- C. If the inquiry or complaint is received at a level of the DOC that does not have direct access to the necessary information or the authority to respond, it will be referred to the proper level for a response.
- D. Inquiries and complaints that appear to represent valid allegations of employee violation of *Standards of Conduct* or law must be immediately referred to the Organizational Unit Head, Office of Law Enforcement Services, or other appropriate authority for investigation; see Operating Procedure 030.4, *Office of Law Enforcement Services*.
- E. The person receiving an inquiry or complaint by telephone must record all pertinent facts and attempt to get the name and contact information for the caller to aid in gathering of additional information and response.

IV. Correspondence Related to an Inmate/Probationer/Parolee

- A. Incoming correspondence related to a specific inmate/probationer/parolee written by an inmate/probationer/parolee or on behalf of an inmate/probationer/parolee by a civilian or an attorney is considered inmate/probationer/parolee related correspondence.
 - 1. Correspondence includes telephone calls, emails, faxes, and written documents delivered through internal mail, postal mail, or other method.
 - 2. All email correspondence from citizens, regardless of where received (i.e., institutions, regional office, district office, headquarters) are to forward to the Correspondence Unit at docmail@vadoc.virginia.gov for handling.
 - 3. The Correspondence Unit will evaluate the urgency of each correspondence.
 - a. High priority – Immediate response for life, health, and safety issues.
 - b. Medium priority – Response within five working days from the date of the referral email for time sensitive issues.
 - c. Standard priority – Response within 10 working days from the date of the referral email.
 - 4. The Correspondence Unit will create a case in the electronic record log, and send the citizen an acknowledgement, advising that their concerns have been received and will be addressed

appropriately.

5. Upon receipt of notification from the Correspondence Unit, the Unit Head or designee will be responsible for providing a comprehensive response, to include any additional documentation, back to the Correspondence Unit within the specified timeframe.
 6. Along with the comprehensive response, the Unit Head or designee will ensure to provide the Correspondence Unit the date staff met with the inmate/probationer/parolee. The Correspondence Unit will utilize this information as a response to the citizen.
 7. A written response must be provided for all correspondence received in any DOC unit.
 8. Informal complaints and grievances initiated by inmates/probationers/parolees and related correspondence will be managed and processed in accordance with Operating Procedure 866.1, *Inmate Grievance Procedure*. and Operating Procedure 940.4, *Supervision and Management in the Community*.
 9. Appeals of disciplinary actions and related correspondence must be managed in accordance with Operating Procedure 861.1, *Inmate Discipline*.
 10. All incoming inmate/probationer/parolee related correspondence referred by the Governor's Office, Secretary of Public Safety and Homeland Security, or received at DOC Headquarters will be processed by the Correspondence Unit.
 11. Any letters received from or about an inmate/probationer/parolee received at a facility or P&P Office, as well as the response provided, will be scanned and emailed to the Correspondence Unit so they can create a case and track the response.
 12. All incoming emails received from citizens at headquarters and regional offices regarding inmate/probationer/parolee healthcare will be forwarded to the Health Services Continuous Quality Improvement (CQI) Unit to track, investigate, and monitor in accordance with Operating Procedure 701.2, *Health Services Continuous Quality Improvement Program*.
 - a. Emails will be forwarded to the *Health Services Inquiries Mailbox*.
 - b. Letters must be scanned and submitted by email to the *Health Services Inquiries Mailbox*.
 - c. Phone calls will be forwarded to the Health Services CQI Unit at (804) 887-8118.
 13. The Health Services Inquiry Unit will evaluate the urgency of each health-related correspondence.
 - a. High priority – Immediate response for urgent health issues.
 - b. Medium priority – Response within five working days from the date of the referral email for time sensitive issues.
 - c. Standard priority – Response within 10 working days from the date of the referral email.
 14. Duplicate requests will be assigned the same log number and only one response will be provided.
- B. Screening Incoming Inmate/Probationer/Parolee Correspondence for Safety Concerns**
1. All inmate/probationer/parolee related correspondence received must be screened for statements that present a potential safety concern to include but will not be limited to:
 - a. Concerns that the inmate/probationer/parolee is going to kill/harm themselves.
 - b. Concerns that the inmate/probationer/parolee is going to kill/harm another inmate/probationer/parolee.
 - c. Concerns that the inmate/probationer/parolee is in fear of being killed/harmed by another inmate/probationer/parolee.
 - d. Concerns that an inmate/probationer/parolee is going to kill/harm a staff member, volunteer, vendor, contract employee, etc.
 - e. Concerns that upon impending release an inmate/probationer/parolee will kill/harm a civilian, victim, or someone in the community.
 - f. Concerns that the inmate/probationer/parolee is making or has made threats toward a public

official, public buildings, DOC facility, or Probation and Parole Office.

2. When a safety concern has been presented in inmate/probationer/parolee related correspondence addressed to headquarters Senior Leadership, the Correspondence Unit must make notifications to the appropriate Organizational Unit Head, their designee, and any other applicable staff at the affected unit.
 - a. These notifications will also include a request for immediate action.
 - b. Notifications will be made via email notated to indicate a high priority and the letter will be attached as a scanned document.
3. When a safety concern has been indicated in inmate/probationer/parolee related correspondence at the regional or unit level, those staff responsible to screen the correspondence will ensure appropriate action is taken to ensure the safety of the affected individuals and unit.
4. In cases where an inmate/probationer/parolee has threatened to kill/harm themselves, immediate notifications must be made to the appropriate Organizational Unit Head, their designee, and any other applicable staff. Mental Health and Wellness Services staff will be responsible to screen the inmate/probationer/parolee and make recommendations for treatment where appropriate as directed by Operating Procedure 730.5, *MHWS: Behavior Management*.

C. Tracking and Referrals of Routine Inmate/Probationer/Parolee Related Correspondence

1. Inmate/Probationer/Parolee correspondence that does not require an urgent notification due to a safety concern will be considered as routine inmate/probationer/parolee related correspondence.
2. All inmate/probationer/parolee related correspondence referred by the Governor's Office or the Secretary of Public Safety and Homeland Security's Office will be logged and tracked in the electronic *Correspondence Log* by the Correspondence Unit. All other inmate/probationer/parolee related correspondence received at DOC Headquarters will be logged and tracked in the electronic *Correspondence Log* by the Correspondence Unit or by the CQI Unit for correspondence related to inmate/probationer/parolee healthcare.
 - a. Each correspondence will be assigned a unique log number along with the inmate's/probationer's/parolee's name, DOC number, current facility/P&P District, the referral action requested, the name of the staff member responsible to act on the correspondence, and a due date.
 - b. Whenever possible, the Correspondence Unit and CQI Unit will preserve an electronic copy or scan of the correspondence in the electronic *Correspondence Log*.
 - c. The Correspondence Unit and CQI Unit will refer each correspondence to the responsible staff member via email with instructions for the action to be taken and the due date.
 - d. If the recipient does not have access to the information necessary for a response, the correspondence will be returned to the Correspondence Unit or CQI Unit for referral to the appropriate party.
3. Each Organizational Unit Head or designee will ensure the proper tracking and referral for all inmate/probationer/parolee related correspondence received at their location.

D. Responding to Inmate/Probationer/Parolee Related Correspondence

1. Designated staff will be responsible to review all inmate/probationer/parolee related correspondence and ensure each is responded to appropriately.
2. Responses about a specific inmate/probationer/parolee will be limited to general information about the inmate/probationer/parolee to:
 - a. Confirm their incarceration or community supervision and location.
 - b. Provide a confined inmate's/probationer's/parolee's mailing address for purposes of correspondence unless listed as "Administrative Location" in VACORIS.
 - i. Any inmate/probationer/parolee who has an undisclosed location code (previously referred to as 055 Administrative Verification) will have a red alert flag at the top of all VACORIS pages

- with the notation “Administrative Location”.
- ii. For any additional requested information regarding the inmate/probationer/parolee, refer the person making the inquiry to the Central Classification Services Unit, generally the Interstate Compact Coordinator.
 - iii. Do not give out any location information.
 - c. Provide information concerning inmate/probationer/parolee visiting and correspondence privileges and direct the person to the DOC public website (<https://vadoc.virginia.gov/>), if the inmate/probationer/parolee is housed in a DOC facility. If housed in a local, regional, or federal facility, the individual will be directed to that agency.
 - d. Confirm the inmate’s/probationer’s/parolee’s projected release date at the time of inquiry.
3. No detailed personal or medical information will be provided to any citizen or attorney.
- a. See Operating Procedure 050.1, *Inmate and Probationer/Parolee Records Management*, for guidance on information relating to the release of information on an inmate’s/probationer’s/parolee’s criminal history, alcohol/other drug use and treatment, incarceration, or community supervision.
 - b. See Operating Procedure 701.3, *Health Records*, for guidance on the release of information on an inmate’s/probationer’s/parolee’s medical or mental health condition or treatment.
 - c. Response to such written inquiries will be by an *Acknowledgement Letter*, Attachment 1, to the inquirer and a more detailed letter to the inmate/probationer/parolee providing the requested information.
 - d. When responding to telephone calls, emails, or letters from citizens or attorneys, the following steps will be followed:
 - i. Thank the citizen or attorney for their concern.
 - ii. Notify the citizen or attorney that the appropriate staff member (Health Authority, Case Management Counselor, etc.) will investigate the issue and then speak to the inmate/probationer/parolee.
 - iii. Once the staff member clarifies the inmate’s/probationer’s/parolee’s concerns, the inmate/probationer/parolee will then be asked to follow up with the citizen or attorney.
 - iv. Advise the citizen or attorney that the inmate/probationer/parolee has access to facility services through inmate/probationer/parolee requests, sick call, and the complaint/grievance procedure.
 - v. Advise the citizen or attorney with a completed *Consent to Release of Confidential Health and/or Mental Health Information 701_F8*, that:
 - (a) Relevant excerpts from the inmate’s/probationer’s/parolee’s health record may be provided upon request in accordance with Operating Procedure 701.3, *Health Records*.
 - (b) Relevant excerpts from the inmate’s/probationer’s/parolee’s facility file may be provided upon request in accordance with Operating Procedure 050.1, *Inmate and Probationer/Parolee Records Management*.
 - vi. Current rates will apply for each page that is copied or printed.
 - vii. Reasonable additional charges may be assessed for any research required to locate and copy records that are archived or are maintained on microfilm or computer databases and not readily available for copying.
 - (a) The charge should not exceed the actual cost of labor for the additional research required to locate and copy the records.
 - (b) Any record information on a currently active offender inmate/probationer/parolee (except previous incarcerations under different DOC numbers) is considered readily available and is not subject to additional charges for research.
4. All responses to an inmate/probationer/parolee for correspondence initiated by a citizen or attorney as it relates to release date or a time computation issue will be written in accordance with Attachment 2, *Sample Responses*.
- a. Responses to all other matters are provided directly to the inmate/probationer/parolee by facility

staff or P&P staff.

- b. On behalf of headquarters Senior Leadership, the Correspondence Unit Manager may respond directly to any correspondence deemed appropriate except correspondence related to inmate/probationer/parolee healthcare.

V. Quality Control

- A. The Correspondence Unit Manager will ensure audits of the electronic *Correspondence Log* are performed no less than quarterly to ensure all inmate/probationer/parolee related correspondence has been responded to where required.
- B. Quarterly audit documentation will be retained on file in the Correspondence Unit Manager's office for review and internal audit purposes.
- C. Individual notifications will be sent to each responsible party where deficiencies exist.
